OFFICE OF THE
REGISTRAR OF CO-OPERATIVE SOCIETIES
IN MYSORE.

Dated Bangalore, 3rd Septr. 1919.

My dear Sir,

Herewith I send you a copy of letter No.F.C.305 dated the 27th August 1919 from the Assistant Commissioner in charge of the Bangalore District stating that Government have in their proceedings No.4209-18/P.P.6-19-46 dated the 19th August 1919 ordered the total prohibition of sale of rice on credit and that he cannot therefore comply with my requisitions for the supply of rice to certain Co-operative Societies on credit. I need hardly say that this has led to a lot of inconvenience.

I have not myself received a copy of the Government proceedings under reference, but the Assistant Commissioner has been good enough to send me one. So far as I can see it does not seem to cancel the arrangements sanctioned by Government in their Order No. 11604-15/E.C.105-18-4 dated the 27th May 1919. If this

view

view is correct, I request that a Government Order may issue explicitly permitting the sale of rice to Co-operative Societies on credit. If this is not done, quite 75 per cent of the Co-operative Societies which have now taken up the sale of rice will cease to do so and the general public who are now depending upon them for their supply of rice will be put to great inconvenience.

Yours Sincerely,

P.A. Krishnaswamy Jr.

Proceedings of the Government of H.H. the Maharaja of Mysore

Read:--

The following resolution passed at the meeting of the District Food Committee, Bangalore District, on the 26th July 1919.

"Resolved that the distribution should generally be through Co-operative Societies.

In remote villages, which are not within easy reach of Co-operative Societies, it would be well to entrust the distribution subject to all rules, to well regulated Village Committees, provided they undertake to purchase Burma rice, on cash payment.

It is also suggested that delta rice may be issued for sale as per rules, to Co-operative Societies but not to Village Committees.

The Committee are strongly of opinion that the credit system should be abolished and all purchases should invariably on payment".

2. Correspondence ending with letter No.3312, dated 13-14th August 1919, from the Food Controller in Mysore, submitting his remarks on the points raised in the resolution referred to above.

O r d e r No.G.4209-18/P.P.6-19-46

Dated Bangalore the 19th August 1919.

The decision that distribution of Burma rice in the rural parts should be generally through Co-operative Societies is in accordance with the scheme sanctioned in Government Order No.11604-15/E.C.105-18-4, dated 27th May 1919.

2. As regards the distribution in remote villages which are not within easy reach of Co-operative Societies, Government have no objects to its being entrusted to Village Committees, provided they purchase the rice for cash and provided also that the Deputy Commissioner is satisfied that there is no scope for profiteering or for abuses in distribution.

3. Government note that the quantity of delta rice available is very small and that it cannot therefore be made available for remote villages

4. Government agree with the Committee that no credit should be allowed.
